Hello Parents and Carers,

Learning, Attendance and Reading

Our students KNOW what to do to improve their learning, our teachers know HOW to teach to make this happen and our support staff KNOW how to support your child/children to get the best results in Reading and Writing. You can support your child/children at home by sending them to school, on time, every day and by reading for 20 minutes every night.

Staffing Update

Welcome to Ms Charleen Turner who has returned to Mount Isa as our District Relief Teacher. Mrs Darling in 3A and Mrs Leon in 5/6B are on leave until the beginning of Term 4. Parent teacher interviews for these classes will be held early in Term 4. Mr Lachlan Davies has commenced work in all Mount Isa state primary schools as the Transition Pathways Officer. His role is to support students to maximise their engagement with education. He will be working with some of our Year 6 students next term as they prepare to transition to High School. This role is the first of its kind in Queensland primary schools and we are very excited to be involved in improving our student learning.

BREAKFAST

Dear Parents/Guardians

It's the most important meal of the day – but one in four children in Australia skip breakfast.

At school, a hungry child can lose concentration in class, have no energy for playtime and snack on unhealthy foods, such as chips or biscuits.

A calm and healthy breakfast every day is the best defence against this happening. It also helps children to get into good habits that they can carry through life.

Breakfast ideas

Breakfast can include all sorts of options: cereals, bread, fruit, dairy products (such as eggs, milk, yoghurt and cheese) and meats.

Quick and easy ideas

- Cereal with milk, yoghurt and/or fruit
- Wholegrain toast, raisin bread or muffins with a little polyunsaturated or monounsaturated margarine (not butter), fruit spreads, Vegemite or sliced banana
- Fresh fruit with yoghurt
- Fruit smoothies made with fresh or canned fruit

Porridge with warm milk and stewed fruit

At Townview SS

Every morning, students are able to enjoy breakfast in our kitchen. Everyone is welcome to come along and join us before 8:30am.

Please note, any food items purchased from the Tuckshop need to be consumed before entering the classroom.

Yours sincerely

Community Education Counsellor Corner - Miss Dixie

Hello Townview School Community,

With our school term coming to a close, we have celebrated many achievements over the past 9 weeks. Congratulations and well done to all the students who have tried their very best in learning, participating in class and attendance.

On Wednesday the 13th of September, some students from Year 5 will be attending the Aboriginal and Torres Strait Islander Junior Aspirations Program (ATSIAP) at the Senior Spinifex Campus. This is a pilot student challenge in the Mount Isa area. The program is held annually in Townsville, but Mount Isa will be hosting the program in 2018. I will have photos and information regarding the event in next term's newsletter.

I am looking forward to continue to work with parents, students and staff to support and provide the best possible learning outcomes for our students.

Until the next term have a safe and happy break.

Dixie Sarmardin
Community Education Counsellor
